

Train the Trainer

Advantage Train the Trainer courses are **specially designed** to verify experienced members of your team to become licensed trainers within specific subjects. This provides your trainers with the ability to deliver courses in-house and assess learners inline with our **quality standards** and **assessments**.

All courses can be delivered **onsite at your place of business** or somewhere of your choosing. For theory based courses, we also offer **webinar delivery**. Our courses can accomodate up to **6 delegates** at a rate of £600 per day.

Over **100 subjects available!** Our most popular subjects are Presentation Skills, Moving, Assisting & Hoisting and Safe Handling of Medication.

Membership includes **full training materials**, content updates and **external quality assurance support** for accredited centres.

Certificates can be generated from your own client portal that serves as a training matrix and printed or downloaded as many times as needed for **just £1 each**.
